

Congratulations to Nancy Talley of North Carolina! Freedom will be leaving for his new home after he is old enough to leave his mother.

Amarosa has been adopted by Briana Apgar! We are so happy to see her go to her new home where she is much loved.

Manteo is a stunning black stallion adopted by Steve Edwards of Smithfield, VA. Manteo had a severe locking platella which required surgery from which he is now fully recovered. He leads an active lifestyle and has completed several trail rides consisting of 50 miles in one day.
