

## ***BE A BANKER BACKER!***

***Businesses can pledge their support to help save the historic horses of the Outer Banks.***

- Generations of Outer Banks watermen captured and tamed wild horses to pull in their nets and boats. Generations of tourists have traveled to the Outer Banks to see them. If we do not act now to protect and preserve them, **future generations will not find them at all.**
- The Banker strain of Colonial Spanish Mustangs, living on the northern beaches, is now on the Critical Breed list. **The next category is extinction.**
- The Corolla Wild Horse Fund is working hard to keep the herd healthy, raise awareness regarding their status, and build partnerships with legislators, local government, equine organizations, and the Outer Banks Community.
- **You can be an important part of helping to keep the herd living “Wild and Free.”**
- By pledging your financial support, you’ll be joining other local businesses like Outer Banks Jeep/Chrysler, Print Plus, the North Beach Sun, Bob’s Wild Horse Tours, Twiddy & Company and many others who believe that **the wild horses are an important part of the culture and heritage of the Outer Banks.**
- **A link to your business’s website** will be placed on CWHF’s Supporters and Partners webpage at [www.corollawildhorses.com](http://www.corollawildhorses.com) **if you contribute \$500 or more.**
- The Corolla Wild Horse Fund is a 501(c)3 charity and all contributions are tax deductible.
